

Quick Facts for the

41ST VIENNA CITY MARATHON
POWERADE
RELAY MARATHON
21ST APRIL 2024

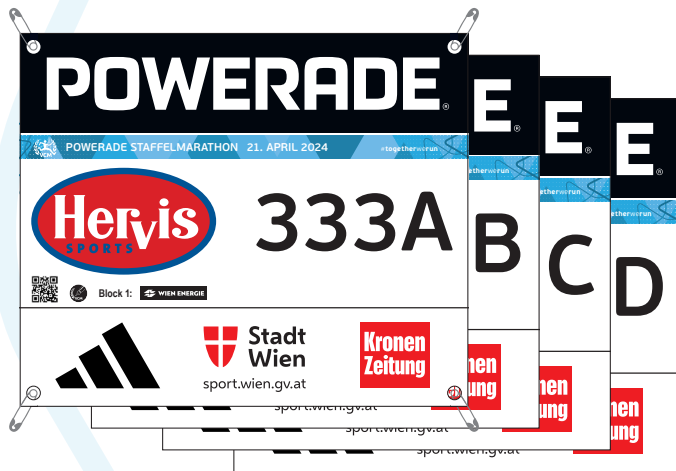

POWERADE

Every relay runner carries

2 bib numbers on the course!

You will find in your envelope:

1.

4 Bib Numbers
WITHOUT a timing chip
(e.g., 333A, 333B, 333C, 333D)

- » The first runner wears bib A, the second runner wears bib B, etc.
- » This bib number should be attached to the front of your shirt (you can use the safety pins for this purpose). The individual number is your personal identification as a relay participant.

2.

1 smaller Bib Number
WITH a timing chip
(e.g., 333)

- » This bib number is worn by your team from the beginning to the end of the race to track your team time.
- » At the relay exchange points, you will pass only this number to the next runner in your team.
- » We suggest using the bib number belt in the envelope to easily pass the bib between runners.
- » You can keep the bib number belt after the run!

„Scan me“

- » Scan the QR code to see a video showing how this process works.
